My dear Mr Chambers;

I send the boy up again because I shall not be at the hotel tomorrow morning - I should like especially to go through a lot of 100's and 50's of 1861 (Sept 2): the 100, 50, 20 and 10's of Dec 2 1862 and the 20's 10's and 5's of Apl 6 1863,

Hastily Yours

W. H. Chambers Esq

City

Dear Sir:

Your note came to me a few minutes ago, and in reply I can only repeat that I am not allowed to go out in the evening, and therefore cannot visit you at your home. I enclose a memorandum of some notes I would especially like to get. If satisfactory to you, you might send me down one or two duplicates (in case you have them) of the numbers of which I will take any note as I have the list of wants of Mr. Titcomb and other collectors in Washington - I will call on you at your office and bring all the notes with me at say 12 o'clock tomorrow and learn prices -

I see you have fallen into one of Thian's mistakes with the #10 of Dec 2-1862. There are 80 different notes instead

DEPARTMENT OF THE INTERIOR,

CENSUS OFFICE,

of 72 as you say - This however
is only one of several errors made by
Mr. Thian in his "Scheme" -

Hastily yours

Frederic H. Hudson

Tomorrow I will be at work
All day at Room 3 Post Office Building
